SHE *Evolve* Summit

About The Organization

Woman to Woman Empowerment Network is a woman-led non-profit organization. *Helping women to Expand Professionally, Personally, Spiritually, Physically and Mentally* through Networking, Connection, Inspiration and Empowerment.

We empower women so that they can tap into their unlimited abilities, their purpose, advance their social capital, overcome life challenges and break through the struggles in business & entrepreneurship.

Our goal is to offer tools and strategies for women to create balance and attain the resources to expand their brand, grow their business, increase their profits, develop wealth in their life, and improve their mental and physical being.

We do this through our FREE monthly meetings, workshops, community connections and annual summit.
